## THE PEOPLE OF THE Salt River Valley

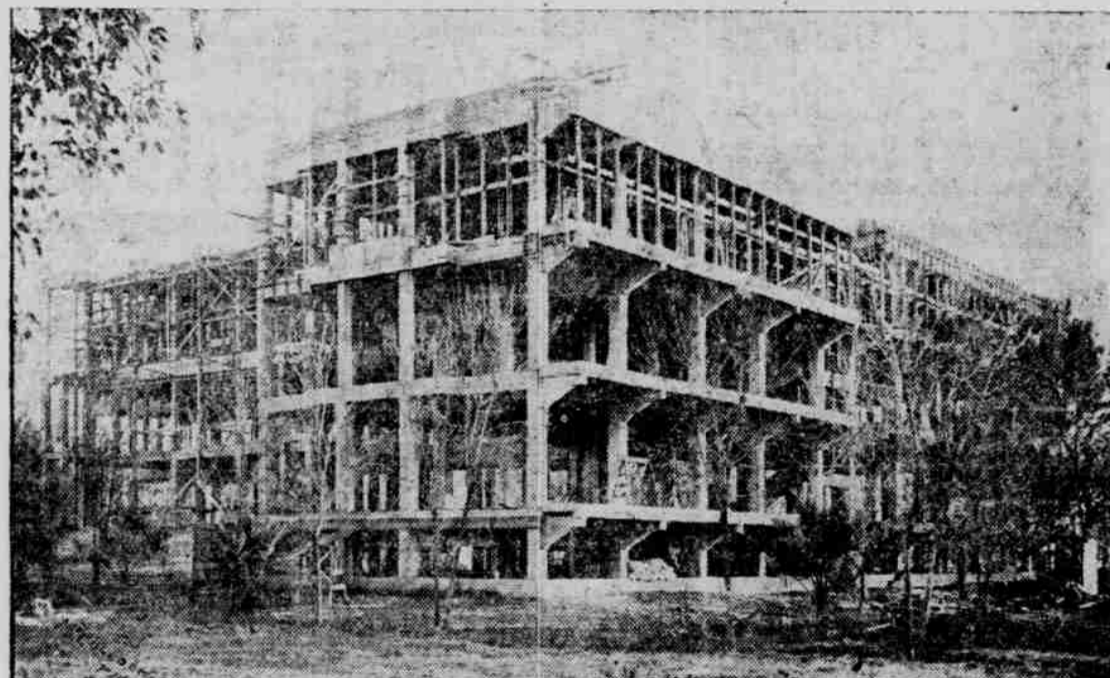

Should be congratulated upon the acquisition of a  
completed Deaconess Hospital, and for the service  
it will render the sick.

We are congratulated every day—for the service we  
render the sick and ailing in the matter of prescrip-  
tions. We use only the freshest and therefore potent  
drugs and a registered pharmacist is always at hand  
to serve you. We also carry almost everything a well  
appointed drug store carries and make a specialty of  
filling out of town orders by mail.

We need a hospital such as the Deaconess Hospital will  
be when completed. If you have any spare money that  
is looking for a good cause, donate it to help swell the  
fund, and if you have a few extra nickles which you de-  
sire to pass through the ticket window of some  
"movie," select the Columbia; because you will have  
the satisfaction of knowing it goes right through the  
box office into cement, and plaster, and lumber, and  
furnishings to complete the hospital.

Just a moment, however, while I put in a word for my-  
self, don't overlook your teeth. Ill health and conse-  
quent failure may make you a fit subject for a hospital  
if your teeth are not kept in good condition.

**A Phone Call will start  
a Cab Your Way in a Jiffy**

No matter where you may be,  
any time of the day or night, in fair weath-  
er or stormy, an enclosed Willys-Knight 8 or open  
Hudson Super-Six taxi cab is ready to speed toward  
you at a moment's notice.

Whether in emergency or in the regular course of events, you can depend on our  
service. Memorize our telephone number, and you can enjoy all the conveniences  
of a privately owned car with expert chauffeur attention. Just remember this, our  
cars are no further away from you than the nearest telephone. Use them.
